**UNOPPOSED MOTION OF PRICEWATERHOUSECOOPERS LLP TO EXCEED
PAGE LIMITATION SET FORTH IN CASE MANAGEMENT ORDER BY FOUR PAGES**

PricewaterhouseCoopers, LLP (“PwC”), by its undersigned counsel, requests leave of Court to exceed by four pages the 25-page limitation on Reply Briefs set forth in the Case Management Order governing this case, and in support thereof states as follows:

1. At the inception of this case more than four years ago the parties submitted, and the Court (Judge Ziegler) signed, a Case Management Order providing for the filing of dispositive motions at the conclusion of discovery and stating that Reply Briefs in support of said Motions would be limited to 25 pages or less.

2. Notwithstanding the broad range of issues developed in this case and the vast record produced during discovery, counsel for PwC made every effort possible to stay within the 25-page limit for its Reply Memorandum of Law in Support of Motion for Summary Judgment. Repeated efforts were made to eliminate any repetition and to otherwise make the Reply Memorandum of

Law concise. Despite these efforts, however, the Memorandum of Law -- after several reductions -- still exceeds the 25-page limitation; albeit only by four pages.

3. Counsel respectfully submits that reducing the length of the Memorandum of Law any further would deprive the Court of important and necessary discussion of the issues and citation to relevant case law. Accordingly, counsel respectfully requests that the Court permit the filing of the Memorandum of Law at its present length -- 29 pages.

4. Counsel for Plaintiff has advised it does not oppose this Motion.

WHEREFORE, PricewaterhouseCoopers, LLP requests leave of this Court to exceed the 25-page limitation set forth in the Case Management Order by four pages.

Respectfully submitted,

Joseph F. McDonough
